Volume 60, Number 13

CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c per copy

Thursday, March 12, 1953

IT'S NO JOKE. New Campbell patrolman Jerry F. O'Connell is a big man, as this picture of Mayor Richard W. Morton (who stands six feet two) demonstrates, as he climbs onto a chair to pin on O'Connell's badge. Shown also is city's new motorcycle purchased last week from a San Jose firm for \$575.00. O'Connell is a mere six foot seven inches high.

RED CROSS DRIVE STARTS MONDAY; EARLY ATTAINMENT OF GOAL HOPED

Red Cross chairman Emerson Arends expressed hope yesterday that the 1953 quota of \$4,500 will be attained early in the week. Drive starts Monday. Arends stated: "In the past, and as a general rule, today, most drives have a tendency to start out with a rush and slow down as the drive progresses. This is a community effort—everybody gives and everybody benefits in some measure. We sincerely hope that the people living and working in the Campbell area will look deep into his or her heart and give accordingly. The need is greater than ever before."

Merv Willoughby, captain of the Rosemary District, put it this way: "We are ready in our area. We feel certain that we will go over the top in our precinct. When the final tabulations are in, the Rosemary area will be head and shoulders above all the other school districts."

The need of an agency such as the Red Cross was dramatically pointed up last Sunday. Mrs. Mamie McHatton, 43 South Second street and her three grandchildren, ages 12, 14, and 17 suffered a complete fire loss. The McHattons had just returned from church. The only possessions saved from the fire were the clothes they were wearing. Contact was made with the local chapter American Red Cross. Red Cross provided them with a supply of bedding and a complete change of clothing for the four stricken people. Mrs. Edwards of the San Jose Chapter was the investigator in the affair.

Captains of other Red Cross districts are Brod Nevin, Grace Bronzan, Bud Allen, Dean Chamberlin, Gene Du Bois, Bob Culp, Laura Arends and Harold Seyferth of San Tomas, Western Gardens, Cambrian, Campbell, Hamilton, Moreland, Moorpark and Cypress.

Tablak Is Speaker At Kiwanis Meet

After an introduction by C. P. Klassen, chairman of the day, Tablak pointed out in his talk the operation, function, and purposes of the community service organization.

Next week's Kiwanis meeting will consist of a program put on by the Campbell area Girl Scouts.

Moorpark School Adds Dog Training Program

A course in care and training of dogs has been added to the Moorpark School recreation program. Director Stan Gould said the course is being taught by a professional dog trainer, Phyllis Tworck. About 58 pupils are enrolled in the class. Gould said the Saturday program has also added a class in folk dancing. About 130 youngsters from the area are attending the Saturday morning classes.

Campbell Voted To City Status A Year And A Day Ago Today

ORGANIZATION OF CITY GOVERNMENT MARKS FIRST YEAR'S DEVELOPMENT

City of Campbell, voted a city of the sixth class, a year and a day ago today, has successfully survived its financial and physical growing pains and is well on the way to taking its place among other well-run and highly organized cities in the state. A year ago yesterday, the voters within the city limits elected to make Campbell a city of the sixth class and elected:

Logue, Theodore Solari, James A. Tomlinson.
During the past year city has formed a three man police force consisting of special officers Louis Doolittle, Robert J. Locke and Patrolman Jerry F. O'Connell, sworn in on Monday of this week. Police department equipment paid by the city includes office equipment, a radio equipped police car and motorcycle.

Other city expenditures include an approximate \$1630 monthly for salaries of the police, city clerk, fire chief, city treasurer, janitor, city attorney, engineer's fees and miscellaneous expenditures.
On the black side of the city's ledger, state apportionments from Motor Vehicle "In Lieu" funds, liquor license tax, funds, garbage, collection, dog license fees, building inspection, business license fees and traffic violation fines have built the city's present bank balance to \$32,000.

Outlining the need for an organized city government a year ago, was the threat of an urban tax law pending in the state legislature which would place a special tax on heavily populated areas, and the threat of absorption of the community into the surrounding cities of Santa Clara or San Jose, which were following a policy of expansion through "strip annexation." Further pointing to

Dorothy P. Trevethan, present city clerk, replaced Viola Krug, when the latter resigned due to serious illness.
This first year has been one of organization. Meeting weekly, the city officials have drafted and adopted a total of 30 ordinances dealing with various aspects of city government and are presently preparing for adoption, by April 1, a master zoning plan under the direction of Barrett and an appointed 7-member planning commission, composed of Chairman Kenneth Priestley, vice-chairman John M. Chargin, secretary, Homer Hyde, Guy E. Farley, Hollis M.

the need of city organization and home rule was the rapid growth of population necessitating expansion of school, church and other facilities.

Campbell has grown from an area of approximately 4,000 population, until in early 1952 it was estimated to be the population center of 30,000. Present population of the city is 8,000. During the past year four new schools in the Campbell elementary School District were started, with three completed and the fourth expected to be completed by the first of July. Approximately 600 new students were enrolled with school officials expecting an additional 600 during the present year.

Church building reached a new high during the year of incorporation. New construction for St. Lucy's Catholic Church, Campbell Methodist Church and Campbell Baptist Church totaled \$475,000.

The incorporation election a year ago, the fourth attempt in the community's history culminated a 10-month effort on the part of the committee for incorporation headed by L. W. Harmon and Bert Legg. Committee members were: Leslie Kerr, E. W. Barnes, A. J. Emery, Ethan E. Lanphear, E. C. Merrill, J. R. Locke, R. E. Schaefer, J. M. Dahl, Mrs. Charles Chubb, Ben Strong, Don Reinhold, Oliver Jensen, Russell Kennedy, Joseph Gomes, Mrs. Tom Burnett, Mark Purmort, E. A. Garrison, Herbert M. Shadle, Mrs. Ted Solari, Col. S. S. Stocking, Gilbert Krug, Carl B. Field, Walter Silberbauer, F. J. Meyer, Jr., George Egling, Tom Burnett, Harold Estensen, Viola Krug, Herbert J. Myring, Robert Seligson, Jack Marsh, David Rutherford, Anthony Raffanti, Charles Chubb, Rex Kaber, and Mrs. Herbert J. Myring.

NAMES SOUGHT FOR NEW SCHOOLS IN LOCAL DISTRICT

Campbell Union School District trustees are seeking names for two new schools soon to be built in the district. One will be located on the Steindorf property between San Jose-Los Gatos Road and Leigh Avenue. School site is in a subdivision area now being developed by Stone, Weaver and Caputo.

Second school site is between Winchester Road, south of Williams Road and west of the new Route 5 freeway. It is south of a subdivision now being developed by Dan Caputo.

Superintendent William C. Henley said name suggestions may be sent to the Administration office of the school district.

The new schools, Henley said, will be built on the new State financing program conditional to State approval of an application for aid and district voter authorization of the acceptance of such aid. Application for State aid on the projects will be made at the end of March.

Henley said the district is anticipating approximately 800 additional students next year, and an even greater increase the following year.

KINDERGARTEN REGISTRATION BEGINS MARCH 16

School offices in Campbell Union School District will be open for registration of next year's kindergarten pupils during a two-week period beginning March 16. Superintendent William C. Henley has asked cooperation of parents in the early registration to facilitate planning for the next school year.

Children, not now in school, who will enter first grade next Fall should also be registered. Age minimum 5 years 9 months. Parents should bring a child's birth certificate when registering.

AFTERMATH . . . of the fire last Sunday in the home of Mrs. Mamie McHatton at 43 South Second Street which left her and her three grandchildren homeless shows the thoroughness with which flames swept through the building. Campbell Merchants, local chapter of the American Red Cross and other local agencies came quickly to the aid of the stricken family with offers of food, shelter and clothing.

MERCHANTS, CITIZENS, AGENCIES RALLY TO AID OF FIRE VICTIMS

A fire which gutted the home and destroyed the personal effects of Mrs. Mamie McHatton and her three grandsons last Sunday demonstrated the efficiency of the Campbell Police Department and the community spirit of Campbell citizens, who rallied to the aid of the stricken family with donations of food, clothing, and shelter.

Mrs. McHatton, was alone in the house when she discovered the fire at about 8:20 p.m. The blaze which started in the basement and quickly spread through a flue into the attic was battled for two hours by the Campbell Fire Department which arrived at the scene four minutes after the alarm was sounded.

Fire Chief Jack B. Scott estimated the damage to the building owned by Mrs. Anna Allen of San Jose at \$2200.

The McHattons were taken in by Mrs. Clara Beebe Baldwin of 31 South Second street, and when the plight of the family became generally known, other families and merchants quickly offered help.

Lico's market donated a week's supply of meat. San Jose Chapter of American Red Cross after an investigation by Mrs. Edwards contributed 12 army blankets and complete changes of clothing for the four persons.

Other demonstrations of aid were quickly forthcoming from Campbell merchants.

NEW SCHOOL IS NAMED "CHERRY LANE"

New school of Campbell Union School District at the end of Giles Way has been named "Cherry Lane School" at the suggestion of Mrs. LaVerne Whistler of Budd Ave.

It is also hoped by the school board and the Campbell Garden Club, that many of the residents along Giles Way will plant the Japanese Kwanzan Cherry Trees in the parkways in front of their homes along that street.

Knitted Look Is a Must for Spring Finery

BY EDNA MILES

ONE fashion idea that's taking an important hold for spring is the knitted look. This means that dresses, basic suits, even cravats, are knitted, crocheted, or hand-woven.

Designer Ann Fleischer has done a whole group of these fashions on a knitted theme, even combining them with classic cashmeres in some instances. She has used monotone or multicolored tweed-ribbon collars, cuffs and belts on cashmere sweaters and matched this trim to woven-ribbon skirts and jackets.

A skirt of hand-woven ribbon in a red, white, and blue check was shown with three versions of the navy cashmere top. One black cashmere with three-quarter-length sleeves and scoop neckline kept company with a black, hand-knitted silk skirt dotted with large, hand-knitted poppies.

For the first time linen yarn is crocheted in an Irish lace pattern and cut into a dress-top worn with a matching hand-loomed linen skirt. For a hand-knitted sweater-dress, the designer uses dusty pink, flame, and wine for a triangular top and pairs it with a skirt in solid wine.

The hand-woven ribbon material has been adapted to men's cravats. Women like to buy ties that match their own dresses and give them to their husbands. These have banded details or solid stripes.

Ann Fleischer designs an elegant hand-woven ribbon-tie, in white, with a contrasting band worked on a slant. This is one of the cravats she shows with her tailored knits for husband and wife style harmony. The dress combines a cashmere pullover and hand-woven black and white ribbon-skirt, collar and cuffs.

CHOICE AND VALUABLE PIECES

Vendors in ancient times featured wares of lesser value. Choice and valuable pieces were reserved for the man who knew enough to ask for them. In our business, such a practice would be bad indeed. One drug or formula may look exactly like another. The quality of a pharmaceutical can be discerned only by those

trained in such matters. Responsibility for supplying high-quality pharmaceuticals rests entirely with the pharmacist. This is a responsibility which we shoulder with pride and profound integrity. Our attitude is that the sick and ailing need the finest medicinals obtainable. That is the kind we always supply.

Mr. Hansell served as district finance chairman for a year prior to becoming district chairman. He also served for many years prior to that time in Yosemite Area Council as Scoutmaster.

Hundreds of Scouts of the Campbell Scout district will receive official thanks for their National good turn in "Getting out the Vote." Thanks will come in the form of "Good Turn Pocket Reminders" to be presented them by the Freedoms Foundation. The pocket reminders are metal coins about the size of a dollar.

Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts said the size of the job done could be visualized by the following figures: Thirty million homes were visited by a Cub Scout, Boy Scout or Explorer, while over one million posters were distributed to places of business, all in this effort to urge our people to vote. The "Door-knob hangers" distributed, if tightly packed would reach seventeen times higher than the Empire State Building, or 3.6 miles high. They consumed 123 tons or six carloads of paper, which took four weeks, running on high speed presses 24 hours a day, to print. May we add our thanks for the part of Campbell District Scouts and Scouters in performing the spectacular good turn.

Campbell Scout District is one of the largest districts of the Santa Clara County Council but is destined to grow even larger. Twenty six Scout Packs, Troops and Posts are now being sponsored. Additional requests for units in the Quito, Union and Moorpark Districts have been made in the past month. Scouting is a volunteer program and leadership of adults is on a ration of one adult for every three Scouts.

Meeting the demand for training requested by leaders, a "University of Scouting" is being sponsored.

Pat Peabody, the candidate for YOU!

Rear Admiral Frederick G. Crisp

My dear Admiral:

It is with great pleasure that I give you my very frank appraisal of Mr. Patrick Peabody.

I have known Mr. Peabody for many years and have found him to be one of California's outstanding citizens. I refer, of course, to the tremendous work he has performed in crime prevention as a director of the California Conference of Social Work, his activities on the Santa Clara County Boy Scout Council, and his encouraging assistance to the Mental Health Society of Santa Clara County.

In my work as the Head of the California Department of Justice, I find all too few citizens who are willing to contribute their time and energy to worthwhile endeavors, but Mr. Peabody has not only devoted much time to the organizations mentioned above but he has also taken an active, alert interest in the political affairs of state.

It is for these reasons that I believe Mr. Peabody would be well qualified to serve in the State Legislature.

Very truly yours,
Edmund G. Brown

The day your Assemblyman votes only as a Democrat or Republican he fails in his responsibility to you. The problems facing California are not partisan or political. They are largely problems of growth which must be met forthright on a non-partisan basis.

Dear Admiral Crisp:

I understand that you are the General Chairman of the Committee sponsoring the election of Patrick H. Peabody for the California State Assembly.

For the past eighteen years I have been closely associated with Patrick Peabody, and believe that his experience as a business man, a civic leader and a county official eminently qualifies him for the important duties of a State Legislator.

Regardless of party affiliations, the State needs men of Mr. Peabody's integrity, ability and experience to represent the people of California in the Legislature.

Sincerely,

PAT PEABODY STRESSES NEEDS OF S. C. COUNTY

Issues now before the state legislature directly affect more people in California than issues at any other level of government—national, county or municipal. Patrick H. Peabody, candidate for Assemblyman 28th District, told a meeting of the Order of Ahepa at Costa Hall, 15 S. 3rd street, San Jose, Friday.

The special election to choose an assemblyman to fill the 28th District vacancy is Thursday, March 19.

"Ninety per cent of all issues in Sacramento are non-partisan," Peabody said. "Our major state problems are problems of growth and the issues are 'The Big Four'—highways, schools, water and economy."

"Santa Clara County needs strong representation in Sacramento to protect its interests. Los Angeles has hogged state free-way appropriations. All legislators from this county must fight for the common cause of No. 1 priority for completion of the Bayshore freeway."

"Many of our school districts are impoverished. We must have a better system of equalization for the type of school districts which exist in Santa Clara County."

"Immediate steps must be taken to begin an impartial survey of the salt water barrier plan and other plans so that additional water supply for Santa Clara County will not be long delayed."

"And last but far from least we must cut state expenses because in the last ten years they have gone up 500 per cent while the population was increasing 50 per cent. The people of California and most especially the people of Santa Clara County are not getting their money's worth."

GIRL-SCOUTS SELL COOKIES

It's Girl Scout Cookie time again in Santa Clara Valley. March 14 will be the beginning of the traditional Girl Scout Cookie Sale in Santa Clara Valley, including Campbell, Los Gatos, Cupertino, Saratoga, Santa Clara and San Jose. Brownie Scouts, Girl Scouts and Senior Scouts will sell the attractively boxed cookies directly to the customer, and is hoped that no advance orders will be taken before March 14.

Mrs. Robert Callison is chairman of the sale and is assisted by: Mrs. Dan Brodovsky, Mrs. Paul Fagan, Mrs. J. E. Gibson and Mrs. Theodore Keech. The profits of the Cookie Sale are divided into several channels; first of all, each Scout has the opportunity of earning her way to Day Camp or to Camp Big Sur. Two days at camp are awarded to each Scout for six cases of cookies sold, and one additional day for each two cases; six cases will give a Brownie or a Girl Scout one session at Day Camp. In addition, 40 a case will go into the treasury of each troop to be used for troop activities. Other funds go to the operation of the organization, chiefly into overhead costs of camping, which are not paid by the Community Chest funds. Balance will accrue in the capital account to be used for the purchase or development of a permanent campsite for the girls in the valley.

Rosemary Club Has Night Meet

President Charles Schmidt conducted the business meeting of the Rosemary Home and School Club held at 7:30 p.m., March 10th, in the multi-use room of the Rosemary School. Mrs. Marge Hanson reported on the meeting of the executive board, where plans had been made to support the showing of "Passion for Life" in Campbell and to try to make possible a matinee of the sociological film at the Rosemary School.

Students of Mrs. Warren Brown, whose dance studio is at 17 N. Poplar Avenue, presented dances in varied costume. A tap duet was performed by Connie Ratliff and Don De Long, and a solo tap dance was given by Janie Clark. A ballet number was presented by Patty Harrison, Valerie Grizzle, Pam Lantz, Carol Johnson and Martha Sutter.

The dances were announced by Mr. Warren Brown.

Under the direction of Mr. Wallace Johnson, the Rosemary School Orchestra played "Southern Roses Waltz," a Stephen Foster Medley, "Daisy Belle," "Marines' Hymn" and "Crusaders' Hymn." Orchestra members are Susan Prior, Nancy Rice, Marjorie Bush, Nelwyn Purcell, Jean Voytek, Sherry Mulsow, Judy Rouse, Scott Turner, Norman Guilbert and Judy Hughes.

Violins: Noralyn Marshall, Donna Isaaksen, cello; Ronald Miller, clarinet; Jeff Ammons and Stanley Meleen, first trumpets; Ronald Stone, John Ensminger and Bruce Brown, second trumpets; Gerald Cook, Larry Carre and Robert Meleen, trombones; Wilma Zumwalt, piano; Nancy Binley, bass viol.

Speaker of the evening was Barton Collins, Captain of Detectives of the San Jose Police Department, who spoke on "Narcotics." Captain Collins described causes for narcotic addiction, stressing lack of stability as a prime factor. Security and home happiness, said the speaker, are the greatest preventive of escapism through narcotics. He told in detail the symptoms of addiction to various drugs, how narcotics are obtained and distributed and how crime results from their use. He added that in three years no minor addicts had been found in this county.

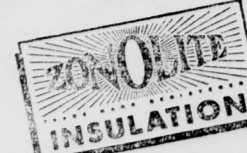

A plaque of dedication was presented by the club to Mr. Van Gorkom of the Board of Trustees and was received with an inspiring speech of acceptance.

Orchard Grange Petitions County To Save Trees

In a letter to Walter S. Gasper, supervisor for the Fifth District, Campbell's Orchard City Grange appealed to the Board of Supervisors to save the Red Flowering Eucalyptus trees on both sides of Santa Clara-Los Gatos Road between Hacienda and Wedgewood.

In the letter, the Grange pointed out that the trees planted by C. P. Cooley, when supervisor of the Fifth District are in danger of being destroyed by fire or lack of water and other care.

The Grange said that fire damage could be controlled if weeds were not allowed to grow, or if the Southern Pacific section crew would use care in burning the Company right of way.

The trees should be cultivated and protected with strong stakes; leaf mold or manure should be used in large amounts in order to hold moisture and give trees food for growth, the Grange said.

The Grange letter went on to say that trees along the highway are a great asset to the county, calling attention to the fact that areas contiguous to Campbell are developing rapidly. Trees increase the value of any community, the letter said.

In the past, work crews from the jail farm have done work on the trees, but, the Grange reminded the supervisors that if this type of labor were used again it would need careful supervision and proper equipment supplied by the county.

This complete story of Pacific Telephone in 1952 is yours for the asking at your Pacific Telephone Business Office.

1952: A Year of Telephone Progress for You

We've been building fast to bring still more service, still better service, to all the Pacific West

At work today in the Pacific West are more telephones than ever before in history. And the service they provide is better than ever, too. For 1952 was a year of progress for Pacific Telephone, as have been all the years since the end of World War Two. Because the telephone is so important to everyone in the West today, we'd like to give you a quick report on this past year . . . taken from our Annual Report for 1952.

1952 Highlights

- Every day, Pacific Telephone spent half a million dollars on construction.
- Improvements in wages and related benefits for telephone employees amounted to more than \$21,000,000 annually.
- Total taxes per telephone in 1952 amounted to \$37.17. This means an average tax of \$3.10 per telephone per month—almost double what it was ten years ago.
- Microwave radio relay facilities were extended to Portland, Seattle and San Diego . . . helping us to handle more long distance calls than ever, and bringing network television to these cities for the first time.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

New telephones went in fast. More than a million people in the Pacific West applied for telephones during the year. In most cases we were able to install them without delay. Enough telephone buildings, new lines and equipment were built during 1952 to serve the total needs of a new city the size of San Francisco. At the same time, we continued to make the telephone needs of national defense our first order of business. And in both military and civilian service, 1952 was a year of telephone progress. And we'll do all we can to match it in the years ahead.

COMMUNITY COOPERATION MARKS CAMBRIAN CHURCH BLDG. PROGRAM

Community Cooperation is figuring largely in construction of Cambrian Park Methodist Church now being built on corner of Wyrick and Gunstan Way, according to Pastor Dorothy Gleason. During the week, a power pole was put in, foundation cement was poured, most of the plumbing lines within the building was installed and clean up and trash were removed by area youth.

Residents have pitched in with many hours of labor and other services, the pastor said. George Bulkley, a church member, drove a donated truck, on gas given by Joseph Roger's Associated Station to gather materials needed for church wiring. Wiring had been collected by Larry Sedding and was sold by Mrs. E. A. Guilbert and her two sons, Elbert and Howard.

Western Gravel Company double timed their trucks to bring concrete in time to pour after a county building inspection.

Another recent contributor of time on the project was La Vergne Graves of 640 Parr Ave., Miss Gleason said.

Home and School Club Plans Party

At the March 11th meeting of the Home and School Club in the Cambrian Youth Center President, Mrs. Donald Lantz appointed a nominating committee which will submit recommendations at the April meeting of the club. Members appointed are Miss Carmel La Malfa, Mrs. Fred Lühring and Mrs. John Williams.

Mrs. George Petrea was appointed chairman of the "Gay 90's Night" to be given by the group in the near future. The Faculty Show presented in former years by Cambrian School teachers will be incorporated in this project. Plans were made for the event, which will be in the spirit of an old fashioned cafe with ballroom dancing to period music played on a "honky tonk" piano, and a floor show given every half hour by members of the faculty and other local artists. A "Keystone Cop" will be in attendance. "Ham on rye" and pretzels will be served with root beer. Waiters and entertainers will be in appropriate costume while costume will be optional for customers.

It was announced that all women signed up for work on the project should meet with Mrs. George Petrea March 18th to make further plans.

Mrs. Lester Raphied introduced Mrs. Lincoln from the Special School at Cambrian. Mrs. Lincoln demonstrated methods and equipment used at the Special School in developing coordination in retarded children. She gave a history of the school, crediting the parents of the pupils with unusually fine cooperation in its establishment, and told of the excellent progress made by pupils there. Mrs. Donald Lantz announced that tickets for the film "Passion for Life" may be obtained from her.

Third grade mothers were hostesses for the meeting.

Men's Night at the Country Woman's Club, March 16th, will feature a dinner served by the ladies of the Church of the Good Shepherd. The dinner will be served at 6:45.

Mrs. Courtney Brooks of the Speech and Drama faculty of San Jose State College, will present a reading at the program following the dinner.

CAMBRIAN AREA WORKER OF WEEK

Workman of the week in the Cambrian Park area, on the basis of work hours contributed in the construction of Cambrian Park Methodist Church, is La Verg Graves, a resident of Quito Park.

Miss Dorothy Gleason, pastor, said Graves was chosen for his interest in the Cambrian Park Church, even though he is not a resident of the immediate area.

To date, 26 adults and 17 youths have contributed labor and time in the construction of the new church. Last week 16 men and 10 boys and two girls contributed their time in working on the community project.

The Cambrian School Men's Club will hold its monthly meeting at the Cambrian Youth Center on Tuesday evening, March 17th, at 8 o'clock.

A program of colored slides taken on mountaineering expeditions by Bob Smith, member of the Rock Climbing Section of the Sierra Club, Loma Prieta Chapter will be shown. Mr. Smith has been climbing with the local group for three years and has taken part in several expeditions to remote parts of Kings Canyon National Park, both to climb and to gather data for the Sierra Club publication, "A Climber's Guide to the High Sierra."

The program will include slides and an exhibition of rock-climbing equipment. Technical aspects of climbing will be explained. Pictures taken on local practice climbs will be shown, as well as many from Pinnacles National Monument and Kings Canyon.

This is a meeting of Youth who are considering full time Christian Church related vocations. Miss Doris Lester sister of Muriel Lester of Kingsley Hall Settlement House, London, England, will be there to share her experiences.

Mr. and Mrs. Steven H. Jensen and son, Fred, of 14870 Holden Way had as week-end guests, the George Owens of El Cerrito and their son, Stuart, seven months old.

The mothers were school mates and this is the first time either had seen the other's children.

Mrs. FRED STARBUCK and Mrs. RUDOLPH ZAHL were honored guests at a belated birthday-and- valentine party held February 18th at the Redding Road home of Mrs. ZENO HALLETT. A luncheon and samba were enjoyed by the honorees, the hostess and Mesdames JEROME STARKEY, THOMAS WATSON, RALPH WATERS, CLIFFORD BROWN, WILL FENNIMORE and GEORGE NINNIS.

Meet the Coach

By BOB OLSON

Coach Bert Robinson has six big jobs at Campbell High School. He is a P. E. teacher six periods a day, 8 A. M. right through to 2:35 P. M. If we have such a position at "Head of the P. E. Department," he is it. And he is best known as head coach of the tens, twenties, thirties, and varsity basketball teams—especially after the sensational records these groups made this school year. Some say that Mr. Robinson should be designated the SCVALS "Coach of the Year" after coping two championships.

Bert came to Campbell from Bakersfield Junior College where he was successful as basketball coach and assistant football coach. As San Jose College student, Bert minored in physical education for his general secondary teaching credential and can also teach high school mathematics.

Bert was once a student at Campbell High himself. He got his name printed on the honor records in the boys' gym while he was still a freshman. Some of his students today ask if he's

"Bert Robinson 5-11 high jumper" which, of course, he is. As just a young "Buc", B. R. competed in football, track, basketball, and baseball—earning his basketball and track letters under the tutelage of the inimitable and indomitable Ralph E. Noddin (who is now a physics teacher at Campbell High.)

Bert has an attractive wife and a modern and comfortable home in Campbell Manor (but no TV yet, for their in-laws have one). Mr. and Mrs. Robinson met one another while both were students at San Jose State College. Now they have two little athletes of their own (Dave who is 5 and Kathleen who is 2), a used Pontiac, and a host of friends. They also have a roomful of Spartan emblems from S. J. S. C., for while at State Bert earned three letters each in basketball and football and one letter at baseball.

Like most coaches he plays softball summers and describes himself as "just another man out for exercise." But he's more than that winters when he plays a lot of guard for the McCune Citrus basketball quintet. But then let's quote the man verbatim to sense his true modesty.

How Do You Feel About Your Job? "It is a pleasure to be able to work with the type of students we have here at Campbell. I have received innumerable compliments from various officials regarding the conduct of my players and their attitude toward officials as well as their opponents."

To What Do You Attribute Your Coaching Success This Year? "To a group of boys with ability and ambition, who were willing (most of them during the past three years) to work hard on basketball, and who are the type of competitors who can come through when the chips are down and put out their best effort."

Report Of Conference Made To Adventists

Welfare work valued at \$577,819 and tithe and mission offerings totaling \$3,282,631 since 1951 were highlights of the report of the Central California Conference biennial session made by H. H. Hare to members of the Campbell Seventh Day Adventist church Saturday.

Pastor Hare was one of five delegates who attended the conference session held in San Jose recently. Other representatives of the Campbell church were: Mrs. Esther Kootsey, Mr. Bert Garrens, Dr. J. S. Kootsey and Mr. George Hughes.

Anzac Visitor To Garden Club Talks On Flowers

Mr. John Andrews of Wellington, New Zealand, interested the members of Campbell Garden Club at their March 3 meeting at Women's Club house with her description of gardening in that country, and social, cultural and economical differences of the two countries.

Main difference in the gardening, Mrs. Andrews said, aside from the type of plants to be found in that part of the world, is the heavy rainfall, which makes for lush growth with no irrigation. Mrs. Andrews continued her talk with a brief insight into the State government, citing good and bad points in such a system.

Mrs. Anthony Leal presided over the meeting at which time reports were received on the monthly district meeting to be held in San Francisco, March 26, at 10:30.

Theme of the meeting is the wild horticulture of California. There will be an exhibit of various wild flowers and illustrated lecture covering all ranges of flowers found in the state. Meeting will be held at 34th street and Sloat Boulevard.

Another project of the Campbell Garden Club, Kwanzan cherry tree drive, has been a successful one, according to club members. Of particular pleasure to the garden group is the fact that the new school to be located on Giles Way is to be known as Cherry Lane School, in recognition of the club's efforts to beautify the town.

Garden Club's tea given at the Methodist Church was one of the highlights of the season according to Club officials. Decorations for this event were under the direction of Mrs. Anthony Leal, Mr. Robert Dunn and Mrs. Charles Smith.

Vestibule and church decorations were done by Mesdames Leal and Dunn. Table was decorated by Mrs. Smith. Committee members were Mesdames John Cantoni, Fred Seymour, George Kolze, H. Binley, Andrew Bykowski, Oliver Jensen, Percy Lovejoy, G. K. Schrader, William Ostermeier, Emil Kollmer.

Presiding at the tea table were Monica Parr, Mrs. J. N. Corvello, John Cantoni and Anthony Leal.

A family gathering at the ELMER HOERLER home on North First St., March 7, resulted in an excursion to view the blossoming orchards followed by a luncheon at Live Oak Inn, Los Gatos.

Mrs. Van Gorkom Dies March 4

Mrs. Grace Van Gorkom, well-known civic leader of Campbell, passed away on March 4th at the Lafayette home of her daughter, Mrs. John E. Lindberg. Mrs. Van Gorkom had been ill for several weeks.

With her husband, C. C. Van Gorkom, she moved to Campbell in 1939 and made her home at 163 Sunnyside Avenue. Mrs. Van Gorkom was active on the election board for a number of years, and was superintendent of the primary division of the First Baptist Sunday school of San Jose as well as a leader in women's work at the church.

Mrs. Van Gorkom is survived by her husband; two daughters, Mrs. John E. Lindberg and Mrs. Richard A. Mathis, both of Lafayette; four sons, Roy E. and Robert L., both of Campbell; Harold E. Van Gorkom of Pilot Hill and Paul C. Van Gorkom of Redwood City; thirteen grandchildren, two sisters and a brother. Her son Robert is a junior at Campbell Union High School.

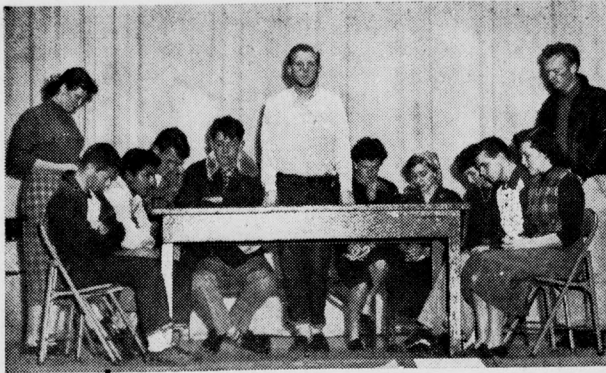

Services, under the direction of Erickson's Chapel of the Psalms, were held March 7th in the First Baptist Church of San Jose, with Dr. Clarence R. Sands officiating. Pallbearers were Freeman Engborg, Jack Hutchins, Van De Ronde, Randol Peterson, William Schmelzel and Rex Trenholm, all of the Board of Deacons of the church. Interment was at Oak Hill Memorial Park.

BURBANK LIONS HONOR 4 C.U.H.S. STAR ATHLETES

Outstanding Campbell High School athletes from Burbank district were honored by Lions Club of Beverly Burbank at a dinner given in their behalf, March 4, at which Campbell football coach Jim Muir was principal speaker.

After Muir's talk, "How Sports Affect the Young People of Today," trophies and certificates of award were given to four Campbell High athletes. Ron Arnaud's award was for best basketball player from Burbank district. Gilbert Manriques was voted most outstanding trackman. Russ Camilli was named most outstanding wrestler, and Bill Gregg best high school football player.

Other award went to Stan Wacholz of San Jose State, voted best athlete in Burbank area.

Campbell High School seniors rehearse dinner scene in the coming school play, "You Can't Take It With You" scheduled for March 19 at High School Auditorium. "Gramp" (Dave Emery) gives the blessing before the fireworks start. (Left to right): Carole Schrader, Mike Bruscin, Berry Guiterry, Dick Glead, Don Laurence Dave Emery, Jackie Davis, Nora Stewart, Mary Lou Fairbanks, Jerry Williams, Betty Bolton, Johnny McLaughlin.
